SPECIFIC Dr. von SEGER

REF: EGLW-11933

1. A search of headquarters files indicates that Subject is identical with Lt. Dr. Walter SEGER, born 10 November 1908 in Pilsen, Bohemia. We are forwarding a copy of Walter SEGER's interview, Pilsen, Bohemia. Headquarters files contain only wartime threat of SEGER. The following are extracts from old CIC interrogation reports:

a. CIC Report, dated 14 July 1945, interrogation of SS Officers (Colonel) Walter SEGER, SS Officer for Recruitment, Pilsen, Bohemia, (Captain) Hans REINHARDT of the SS, and Lt. Dr. Walter SEGER of the SS, surrendered to American officers in Pilsen in late April 1945. Lt. Dr. Walter SEGER is the son of Joseph SEGER and Marie SEGER, born in Pilsen, Bohemia, Province of Trento, Italy, on 10 November 1908. He is an official dependent directly on (Colonel) REINHARDT, who is a very important SS officer and political minister from Germany, Province of Pilsen. He indicated that he would be willing to collaborate fully with Allied intelligence.

b. Interrogation of Walter SEGER, born 10 November 1908, dated 2 July 1944. Dr. SEGER resided in Pilsen in Germany. Acted for REINHARDT in his absence so long as he had no rank. Was fearful in the night and did not trust REINHARDT. Tall; dark; belonged to POLICE district; had studied in Rome and Verona; his wife and child.

c. Interrogation file on Novella del FAVORONI, dated May 1945. Excerpt from a letter written by FAVORONI to SEGER: "I know a German officer, Dr. Walter SEGER, Second Lt. of the SS. This officer, 37 years old, fell in love with me and trusted me completely (FAVORONI lived at SEGER's villa outside Milan from February to April 1945). He helped me in many ways, since he was a very intelligent man, and was aware of all the mistakes of his country. I followed him in any place and so I was able to

listen to some talks that revealed interesting things. There was intended to organize a movement, which should already exist, and which following the example of the Freemasons should become a new European nationalist Union against Communists and Jews...another man whom I used to contact for the same purpose was (Prof.) JOSEPH, former Commissario Federale of a Black Legion. The latter used to say he was organizing a European nationalist group like the famous Codreanu's Iron Guard. His organization had already branches in Rome, Terni, Firenze, Bologna and was in contact with some groups of Partisans... (NOTE: Novellino is the wife of (Count) Dario de SAVOIRNO, born in Trieste in March 1901. She was an ardent pro-MILICIA adventress. She tried to intercept them in her contacts with the MILICIA Serb elements with the possibilities of using them as a separate peace channel.)
